"Battlefields of the Present and Future"

can be more easily understood and the future trend of events more easily followed, if you possess our "DRAMA OF THE AGES."

Why And When The British Will Win

A 9,000 word treatise on the War as interpreted from the Bible prophecies. Prepared and published in 1939 for the final battles and supreme test of 1941, and ultimate victory, on the advice of well known Biblical authorities, who have prepared for you an interpretation outlining the EVENTS OF THE FUTURE.

A concise, up-to-date introduction explains how the events of the past two years have occurred as predicted, what is occurring now, May, 1941, and what the immediate expectations may be.

A wealth of knowledge for only 25c.

COMPANION MAP TO "BATTLEFIELDS OF THE PRESENT AND FUTURE"
